Thanks, Michael. From what little I now have on the HSA-NSIA call it focussed on the blockades and offers from US to help. Some specific ideas were discussed and Ottawa is reflecting. DM Stewart was on the call.

Yes, for sure, and tonite Mayorkas requested a call with Mendicino, happening Thursday morning, on same issue

Good to know thanks. I don't have anything yet on the call although I don't think it's likely they would have covered much if anything beyond the blockade. Could the blockade be a topic of the call?

Martin - Lesley Soper, DG, National Security Policy, will be leading a call for the Canadian side with Sam Vinograd, DHS Acting Assistant Secretary for CT and Threat Prevention Policy, Thursday afternoon. If you are able to send me any info from the Sherwood-Randall call that I could pass along to Lesley, that might be helpful. thanks
